

# 2019 half Helen Glow Ball

September 28, 2019 | Onion Creek Club

## What's in a name?

Failed vision and hearing screenings in preschool revealed Executive Director Chelsea Elliott was blind in her left eye and deaf in her right ear. After learning of Helen Keller's life in elementary school, Chelsea declared, "I am half-blind and half-deaf. I am half Helen!"

Founded in 2013, the half Helen Foundation (hH) exists to improve children's vision and hearing through an innovative delivery of care that uses photoscreening technology to identify potential problems, connect families to medical care, and ensure children have access to corrective wear.

## What is the half Helen Glow Ball?

A unique twist on an otherwise sight-intense sport, the Glow Ball offers seasoned golfers and amateurs alike a fun way to experience first hand the importance of eyesight. As the sun goes down, depth perception decreases and adds a new challenge to this par three course. No need to worry about the dark. Fun, colored lights and glow in the dark golf balls will help keep you on track and light the way to the greens.

The Glow Ball isn't just a golf event. Your ticket includes an evening full of fun activities. We will kick off the event with a cocktail hour followed by the helicopter ball drop raffle. After the drop, head over to the hospitality tent and enjoy dinner, drinks, a silent auction, and learn what half Helen is doing to improve children's vision and hearing.

Name of Organization or Donor: \_\_\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

FOUNDATION

# 2019 half Helen Glow Ball

September 28, 2019 | Onion Creek Club

Thank you for supporting half Helen Foundation!

Your contribution will allow us to outfit our screening teams with new technology and increase screening productivity. Over the next 12 months, funds will be used to help us reach our goals of conducting 5,000 student screenings, providing new prescription glasses to 1,250 students in need, and creating new materials to promote eye health and glasses maintenance.

## GALA Presenting Sponsor \$15,000
